Third, go to Equipment inquiry screen and search by using container no.

The screenshot shows the RCL dashboard. On the left is a dark blue navigation menu with a search bar at the top. The menu items include: Slot Management, Contracts & Tariff, Contracts & Tariff (New), Credit Limit System, Quotation, Demurrage And Detention, Booking(New), Booking, Intermodal and Job Order System, Equipment Tracking (NEW), EMS Set up, EMS Operation, EMS Inquiry, **Equipment Inquiry** (highlighted with a red box), Imbalance Report, and Imbalance Vs Logistics Report. The main content area has a header with the RCL logo and user information: Ananya Jitsuphap - R - R/\*\*/\*\* - 27/05/2025. Below the header are three sections: Widgets (with a 'Manage Widget' button), Favorites (with a 'Manage Favorite' button), and Notifications. The Favorites section contains ten cards, each with a star icon and a title: AFS Vessel Voyage Entry - RCL, B/L Inquiry, Booking Inquiry, Export B/L Entry, FSC(New), Import B/L Inquiry, Invoice Inquiry, MA Entry, Product Catalogue-New, QTN Entry - Migrated, Unblock Customer Credit Limit for Booking, Update Booking Status, Vessel, Vessel Renomination, and Voyage Schedule Inquiry. The Notifications section has a table with columns: From, Subject, Date, and Action.

The screenshot shows the 'Equipment Inquiry' search screen. The top left has a vertical navigation menu with icons for Equipment Tracking, EMS Set up, EMS Operation, and Inquiry. The top right shows the RCL logo and user information: Ananya Jitsuphap (ANAJIT1) - R - R/\*\*/\*\*. The main area is titled 'Equipment Inquiry' and 'Equipment Inquiry Search'. It features several search fields: Port/Point, Service, Lessor (with 'CAI' selected), Ownership (with 'Leased' selected), Agreement Number, Size/Type (with '40' and 'HC' selected), Activity, and Equipment Number (with 'REGU5105846' selected and highlighted with a red box). There is also a B/L field. At the bottom right, there are 'Find' and 'Reset' buttons, with the 'Find' button highlighted with a red box. Below the search area is an 'Advance Search' link.

Fourth, select equipment and view the equipment history.
